“We Serve”

## Governor's Theme

Why am I a Lion? Make some people smile

I am recognized as a "Unrealistic Optimist "

Accepting challenges has been a trademark of my career and I have had some great success and as most, some failures. What I have learned is that with more effort there is more success and less failure. I have also learned that the best way to succeed in business and in life is to bring happiness to others and earn sincere smiles. Whether an internal customer or an external customer, a smile is an expression of acceptance, appreciation, and thanks. A smile should be the measure of business for employees, same as well for Lions, that is our true measure. We do service to make our world a better place. We as Lions cloak ourselves in Lionism and garner credibility and benefits, our only cost is to create smiles and make a better world 1 service at a time. Our world is truly more than just our town it's our district, state and International. So my passion is to earn smiles and through Lion Clubs I can do more. I hope to bring more smiles this year than ever to current Lions, new Lions, and the many people we serve who have a need.

This year, I encourage all Lions to start the year with 1 step, A step of renewal in our mission to serve. Find a need in the community and provide a service by yourself, your club, district, state and International Lions. Then simply repeat the cycle and see how many smiles you can be responsible for this year. We can change our world and it starts with 1 member, 1 need, 1 service, and 1 club. Successful clubs make successful districts and so on. This year let's focus on earning more smiles internally with our fellow lions and externally with those who may not be smiling and need some help.

Service rewards the server as much as those served.

Your District Governor

James White

The Melvin Jones Fellowship was established as Lions Clubs International Foundation's (LCIF) highest form of recognition to acknowledge an individual's dedication to humanitarian service. The Melvin Jones Fellowship is the backbone of LCIF, providing 70 percent of its revenues.

A recognition of humanitarian work, a Melvin Jones Fellowship is given to those who give \$1,000 US to LCIF or to people for whom a donation was made by others. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

# What do Lions do?

Lions meet the needs of our communities and the world, ranging from assisting the visually impaired and working with local youth to medical missions and disaster relief. (Source: LCI)

## International Calendar of Events

Did you know that Lions Clubs International has an annual calendar of events? Check it out by going to the following link: <https://www.lionsclubs.org/en/resources-for-members/lions-events-calendar> or typing the word “CALENDAR” in the search bar at [www.lionsclubs.org](http://www.lionsclubs.org).

Our District Newsletter can be found at <https://www.11-d2lions.org/index.html> and Facebook Page at <https://www.facebook.com/groups/MI.11D2.Lions/>.

District 11D2 has its own newsletter published monthly. The newsletter is sent via email, the district [www.11-d2lions.org](http://www.11-d2lions.org) website and the Facebook page (see <https://www.facebook.com/groups/MI.11D2.Lions/>). The district newsletter is a great resource for spreading the word about what is happening in your club and announcing upcoming events. It is also a suitable place to share your club resources.

To submit an article for the Newsletter or Facebook page send it to Bruce Bronson (Email: [bebronson@frontier.com](mailto:bebronson@frontier.com)) or the DG. Articles for the newsletter should be in by the 25<sup>th</sup> of the month. Facebook articles can be submitted at any time.

GET THE WORD OUT!

## **How to Get Your Event Published**

The newsletter has a monthly calendar of events. Submit those directly to the District Editor, Bruce Bronson or PDG, Dave Wineman. To include an event in the next years' roster book, submit the event to Bruce Bronson ([bebronson@frontier.com](mailto:bebronson@frontier.com)) prior to May 30<sup>th</sup>. Lions Clubs are encouraged to have their own web, social media pages, and to reach out to local newspapers and radio sources to promote themselves throughout Michigan's Thumb Region.

This organization is one of the best kept secrets. When you meet someone that is not a Lion, they have no idea what we are about. Your humanitarian service in the community is one of the most important news events that people need to know about. This goes for the MY LCI activities reports. Be sure to take the time to report what you are doing. There are clubs in the District that appear to be doing nothing, when they are extremely busy in the community doing wonderful deeds. Reporting is IMPORTANT, so let everyone know what your club is doing; spread the word!

We also have an "Activities" link to our 11 D2 webpage (see <https://www.11-d2lions.org/Clubact.html>) where we post events. To have your club's activities or events posted there, please contact our webpage coordinator and PDG, Whitey Simon, at [whiteysim@yahoo.com](mailto:whiteysim@yahoo.com)

## ***A message from Immediate Past District Governor, Dr. Shawn Wightman (2022-23)***

***Fellow 11 D2 Lions,***

***As my term comes to an end, I am filled with gratitude and admiration for each and every one of you. Together, we have made a difference in the lives of countless individuals, and I am humbled by the impact we have had as a Lions community. However, our journey does not end here. I am thrilled to pass the torch to our incoming District Governor, James White, knowing that he is a visionary leader who will continue to inspire and guide us toward even greater achievements.***

***In this vibrant tapestry of service, we have witnessed firsthand the incredible power of unity. It is when we stand shoulder to shoulder, united by a shared purpose, that we become an unstoppable force for good. Each Lion brings their unique strengths and passions to the table, and when we harness these collective energies, we create a synergy that is truly awe-inspiring.***

***Throughout our work together during 2022-23, we have been driven by LCIF's eight global causes, which have guided us in our efforts to make a lasting impact. Through our work in vision, youth, disaster relief, and humanitarian efforts, as well as diabetes, childhood cancer, hunger, and the environment, we have demonstrated our commitment to improving lives on a global scale. We have restored sight to the blind, fed the hungry, protected our planet, raised awareness about diabetes, supported children battling cancer, provided vital eye care to the young, empowered youth, and provided relief in times of crisis.***

***“Together, we make a difference!” Let these words be etched in our hearts as we continue our noble mission. The impact we have on the world is immeasurable, and it is a privilege to be part of a community that has such a profound ripple effect. As we embrace change and move forward, let us remember that the spirit of Lionism lies within each one of us.***

***As Governor White takes the reins, I have no doubt that our legacy of service will only grow stronger in 11 D2. He knowingly steps into this esteemed role with our unwavering support and trust. His dedication to service and his steadfast commitment to our Lions' values make him the perfect leader for our district. Together, we have an opportunity to shape the future, to touch more lives, and to inspire others.***

***Yours in service,***

***Dr. Shawn K. Wightman (IPDG) District 11 D***

*Did you know that your Lions Club is required to file IRS Tax Forms? It is true—Lions Clubs do have to file tax returns. If you have not been filing returns, then now is the time to get that turned around. Speak with your Zone, Region, VDG's, or DG; they can help you with the process to move forward.*

### **LIONS CODE OF ETHICS**

- **To show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

- **To remember** that in building up my business it is not necessary to tear down others', to be loyal to my clients or customers and be true to myself. Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.
- **To hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** bear in mind my obligation as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- **To aid** my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- **To be careful** with my criticisms and liberal with my praise, to build up and not destroy.
